

## The Joy of Seaplane Flying

What can be more fun than combining boating and flying at the same time? Learn how to add the Seaplane rating on to your current certificate as well as the safety aspects and off airport (i.e. lake) adventures of it all. This is a drive-in/fly-in event. There will be a free BBQ/social/meet-greet gathering starting around 11:30 with the presentation starting at 1:00.

**Directions:** Maintenance Hangar next to Terminal Building

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
